

March 13 – service task force meeting on the AT booklet update

Meeting was held via gotomeeting.com

Participants: Renee Moravec, Roxanne Cogil, Jane Gay, Toni Reimers, Justin Johnston, Jerry Sebert, Barbara Murphy, Maggie Ferguson

Discussion of new members providing input to the process.

- Easter Seals, Kim & Tracy
- ChildServe – Carrie Van Quathum

Jane - Send information to Renee including email addresses for the above.

Jane – will set up a meeting end of April

Will be adding introduction section and updating sections for modernization.

There was a recommendation for specific products or links, however this can cause the book to date quickly – could post this type of material separately online as it could be updated more easily.

Need to determine style of book for distribution and where this might be housed online

Jane provided update that Iowa Compass may not have the support from the new ADRCs as an I&R database. In upcoming months decisions will be made.

While gathering suggestions, how much input does this group want along the way?

Should Jane work on project with input provided before giving this to this group and graphic artist.

Answer – yes, that is good to do some of the work

Renee will share what she has started working on with the group incorporating education.

Discussed assuring that the book is focused on lifespan needs.
